MAY

NEWS BULLETIN

FOR PRIVATE CIRCULATION ONLY

My Dear Sisters,

Associates, Friends and Well-wishers,

Month of May is a special month for many reasons. For centuries, the Catholic Church has set aside the month to honour Mary. It is also known as Marian month. In 1945, Pope Pius XII solidified May as a Marian month after establishing the feast of the Queenship of Mary on May 31st. After the Second Vatican Council, this feast was moved to August 22, while May 31st became the feast of the Visitation of Mary. Mary has a special role in the plan of salvation and is a model for all Christians. Before the incarnation of the Son of God, and before the outpouring of the Holy Spirit, her prayer cooperates in a unique way with the Father's plan of loving kindness.

Mary, the Mother of the Lord, is also our Mother as members of His family, His Body, the Church. She is a powerful intercessor in that family. Just as her intercession at the Wedding of Cana moved the heart of her Son, so her intercession on our behalf continues to move His Sacred Heart. Our Marian devotion will lead us closer to her Son and into the communion of love in which she now participates in glory. We participate in that communion even now and her prayers assist us in our journey to its fullness.

Our country had its general elections and we have the results. It is a crucial time when we seek the intercession of Mary. Let us pray and work for our country and its people. Let us continue to work earnestly for the preservation of our earth. May our Mother, Queen of Heaven and Earth, Pray for us!

In union of Prayers,

Regife

Loving Tribute to our dear Ms. Annette Paul

“We loved her lot... but God loved her more”

Words even the very best of words cannot pay tribute or truly capture the sense of loss that we felt the day we heard this unfortunate news. Annette exemplified life, love, laughter and an irrepressible belief and faith in seeing the best in everything ...even loss. And so we now honour her by profoundly feeling and expressing our loss but also remembering Annette – an amazing person who has played a unique and special role in all our lives. We remember Annette as a bright and cheerful colleague. She was the mood maker amongst us she was a very positive person. Though young, she had made a great impact on her students and was a role model to them.

Mrs. Piya Mukherjee

Our Ms. Annette Paul was a free spirit waiting to touch our little hearts and that's what she did. She painted our childhood with colorful memories that I think bears an inseparable and special place in our hearts. She was like a cheerful bird lifting all our moods and delighting us all, a storehouse of encouraging high fives, warm hugs and warm words that just made our day. ... Maybe the golden stars that she gave us are lost somewhere in our old books but that sparkle still shines in our eyes....

Juniors' Retreat

Every journey has its own destiny, and every good experience has its end. We the juniors had our Annual Retreat at St. Vincent's Home. We were guided by Fr. Zachaeus S.J. who stressed on our core sin which always pulls us down and due to which we fail to live our life meaningfully. Therefore it is necessary to remind us of our core grace that we are precious to God who died for us. He is our treasure whom no one can take from us; when there is no one He is the one who always stands for us. It was a way to transform ourselves for His mission.

We thank St. Vincent's Community for providing us with good ambience and delicious food during our retreat. Thanks to Formation Center for our accommodation. May God bless you all.

Ashalayam Don Bosco, Delhi is a transit home till children are restored to their families. Some of the boys stay here and go to government schools, some are trained in some skill departments for their future. Many N.G.O.s take interest to be with them, to teach and counsel them. Most of the children are brought by police. Some are lost and found, some are found as child labors, and some are left by their parents or sold. They are kept here till the age of 18.

Every Saturday with a group, I go to pray in the families in different places. In the park I teach the poor children. I have encountered and found 200 boys. I have been enriched to live our charism, to seek and find the poorest of the poor. It has helped me to contribute my knowledge and compassion. I have passion for mission.

Jordighi

It was after a long wait that we had the joy of welcoming our Provincial Sr. Regi Mathew and her councillors on the 17th Dec. 2018. They drove to Jordighi from Goromtoli at 5.30 p.m. We warmly welcomed them by washing their hands. Our hostellers sang and danced as it was a great event for them. On the 18th morning after breakfast we had a short meeting to share our mission. Then we went to our new mission in Buniyadpur. Though the weather was bad, being in our dream mission and having a cup of tea with the caretaker of the place and the helper of the mission was enjoyable. After that we returned to Jordighi and had lunch. They left for Calcutta at 6.30 p.m.

Though the visit was very short and we felt sad to say good bye, we did experience an inner joy and felt refreshed and encouraged. May the Lord accompany you wherever you go and whatever you do is our prayer for you sisters!

One of our Christmas gifts was having Sr. Rojinta Kujur at Jordighi for Christmas and New Year.

Sr. Flora Ddung FC

Anthony Bhaiju CMF. He explained to us that holiness was not an unreachable virtue. Living the beatitudes is the road to holiness. Chapter wise explanation of the document made it easier for us to read and understand the book. It was an enriching and reflective session. The day ended with the Eucharist and a fellowship meal.

MISSION EXPERIENCE

I got a beautiful opportunity to be in Jordighi Mission during my winter vocation from 24 December to 14 January. It was a wonderful experience to be there. Three sisters are placed in this mission and they have Boarding for the poor children. These children are from far villages. Sisters help them in their studies and teach them some morals and principles of life. Our sisters make a difference in the lives of the people by their life and work. Their community living is a witness to a joyful community, loving and caring, sharing and supporting one another to bring up the mission, and to live their commitment. Sisters are always available to children in the Boarding and people. They also actively participate in parish activities; they visit families and go for mass in substations, and strengthen the faith of the people.
